Pregnant women
suffer from

**Concomitant Vit B¹²
& Iron deficiency**

**Vitamin B¹²
Deficiency**
may lead to
formation of
Immature
RBCs &
Compromised
Hb rise²

For optimum Hb rise
In Iron deficiency anaemia, Pregnancy & Lactation

Rx

DSG-RED

Ferrous Ascorbate 100 mg + Folic Acid 1.5 mg +
Cyanocobalamin 15 mcg **Tablets**

The Rapid Response Haematinic

Addition of Vitamin B, to Ferrous Ascorbate &
Folic Acid offers 1.5 times higher Hb rise and
81% higher Serum Ferritin rise in 8 weeks

Indication

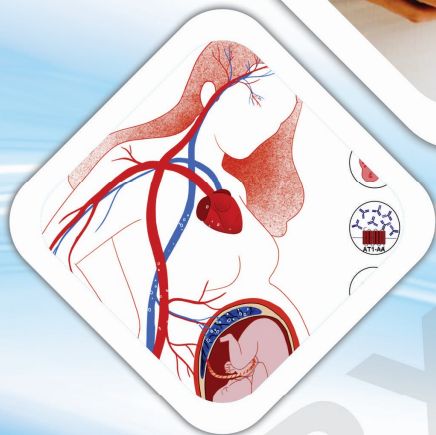

Iron deficiency Anaemia

Post-Operative

Growing Children

Prophylactic in Pregnancy & Lactation

Strengthen Your Foundations with Mordencal!

Strengthen your bones and embrace every adventure!

Rx **MORDENCAL**

Calcium Citrate 1000mg + Tribasic Calcium Phosphate 225mg + Vitamin D3 1000IU + Magnesium 100mg **Tablets**

Calcium Citrate :

Calcium is critical for the development of the baby's bones, teeth, heart, muscles, and nerves..

Prevents maternal bone loss during pregnancy.

Vitamin D3 :

Adequate levels of vitamin D3 are vital for the baby's skeletal development..

Magnesium:

Supports fetal development.

Support Bone Health (Mother and Baby)

Prevention of Preeclampsia

Improved Calcium Absorption

For Better Pregnancy Outcomes

PESS-PREG

Choline Bitartrate 450mg + Pyridoxal-5 Phosphate 2.3mg + (6S)-5-Methyltetrahydrofolic Acid Glucosamine Salt (Quatrefolic) 57mcg + Vitamin B12 2.2mcg **Tablets**

Choline Bitartrate

- ◆ Aids fetal brain & spinal cord development
- ◆ Supports neurotransmitter synthesis (acetylcholine)

P5P

- ◆ Regulates mood & hormonal balance
- ◆ Helps reduce pregnancy-related nausea

Quatrefolic

- ◆ Provides bioactive folate without conversion
- ◆ Prevents neural tube defects & lowers homocysteine

Glucosamine Salt

- ◆ Enhances folate delivery & stability
- ◆ Aids vascular and placental support

Methylcobalamin

- ◆ Essential for nerve repair & fetal development
- ◆ Supports red blood cell formation and energy levels

- ◆ **Identification:** Confirm all actives using validated methods (e.g., HPLC).
- ◆ **Assay:** 90–110% of labeled claim for each active.
- ◆ **Disintegration:** Within 30 minutes.
- ◆ **Dissolution:** Meets required bioavailability standards.

9m

Support Early Embryogenesis & Fetal Development
Promote Neural & Cognitive Development
Support Placental Function
Reduce the Risk of PE, FGR, GDM

For Nerves, Memory & Methylation – Daily

For Her Heart. For Her Hope.

Pess-Argi

L-Arginine 3gm + Proanthocyanidin 75mg + Folic Acid 400mcg + Vitamin B6 2mg + DHA 200mg Sachet

Complete Circulatory & Fetal Nutritional Support in One Sachet.

- L-Arginine increases nitric oxide, promoting vasodilation and better placental perfusion.

For Her Heart. For Her Hope.

Pess-Argi

L-Arginine 3gm + Proanthocyanidin 75mg + Folic Acid 400mcg + Vitamin B6 2mg + DHA 200mg Sachet

Complete Circulatory & Fetal Nutritional Support in One Sachet.

**Oligospermia
Asthenospermia
Teratospermia
Erectile dysfunction
Oxidative stress-induced infertility**

- L-arginine is an amino acid that the body converts into nitric oxide, a molecule that dilates blood vessels and improves blood flow.
- This enhanced blood flow is beneficial for sperm production and motility.
- Improve sperm quality and potentially increase fertility in some men.
- It works by increasing nitric oxide production, which can enhance blood flow and sperm motility.
- While not a cure-all for male infertility, it can be a helpful supplement, especially when sperm count or motility is low.

Circulate Wellness. Deliver Life

Strength You Can Drink.

Pessnano **D3**

Vitamin D3 Oral Solution 60,000 I.U

Vitamin D3

- Stimulates production of calcium-binding proteins in the gut.
- Facilitates deposition of calcium into the bone matrix, improving strength and density.
- Lowers PTH, preventing bone resorption and maintaining calcium balance.
- Regulates T-cell and macrophage function to enhance innate and adaptive immunity.
- Improves nerve conduction and muscle contraction by maintaining serum calcium levels.
- Influences serotonin synthesis and brain health, reducing risk of depression in deficiency.
- May support glucose metabolism by aiding insulin secretion and action.
- Plays a regulatory role in immune modulation, helping prevent diseases like MS or RA.

Vitamin D3 deficiency

Weak immunity

Rickets in children

Osteoporosis & osteomalacia

A safe & Effective Natural Treatment for Menstrual Irregularities...

- Resets & regulates Hypothalamus Pituitary Ovarian Axis
- Estrogen like activity assists in normal development & functioning of ovaries
- Arrests excessive Menstrual Bleeding
- Relieves emotional Stress & Anxiety
- Complete Uterine Care

Rx **MT-VL**
Multivitamin, Multimineral
with Grape Seed Extract
Tablets

Power of **Vitamins** for Complete Health

Indications:

Nutritional Support	Antioxidant Defense
Cardiovascular Health	Immune System Boost
Skin Health	Cognitive Function
Anti-Inflammatory Benefits	Metabolic Health

Multivitamin and Multi-Minerals:

- ✦ They help fill nutritional gaps in your diet, ensuring you get essential nutrients that may be lacking from your food intake.
- ✦ Vitamins like C, D, and E, along with minerals such as zinc and selenium, play crucial roles in strengthening the immune system..

Grape Seed Extract:

- ✦ GSE is a potent antioxidant that helps neutralize free radicals in the body, reducing oxidative stress and potentially lowering the risk of chronic diseases..

Fills Life with **Health** and Happiness

Get Fast Relief from
Soring GERD

Ends Reflux...Brings Peace

^{Rx} Pessosec-DSR

Pantaprazole 40mg and Domperidone 30mg
Sustained Release Capsules

Pantaprazole:

- Potent inhibitor of gastric acid secretion.
- Acid suppression lasts for more than 24 hours due to binding to H⁺/K⁺-ATPase enzyme system.
- Relieves both day and night time heart burn.
- Safe and well tolerated in patients with erosive oesophagitis.
- Exhibits no interaction with antacids.

Domperidone:

- Increases lower oesophageal tone and oesophageal clearance.
- Eliminates the nausea and vomiting associated with GERD.
- Used for its prokinetic actions in dyspepsia.

Indication:

GERD

Chronic Gastritis

Peptic Disorders
